Product highlights

Dust-proof keypad

Dust-proof keypad protects your phone even in more extreme conditions, such as outdoors, so that your phone performs for you when and where you need to use it.

Easy-to-use menu

The easy-to-use menu incorporates simple and meaningful icons so that you can conveniently navigate the functions of your phone.

Up to 17 days of standby time

The phone can be on and in standby mode continuously for up to 17 days with a single charge, reducing the need to travel with a charger.

Up to 6 hours of talk time

Enjoy up to 6 hours of conversation with a single charge, reducing the need to travel with a charger.

Multi-person SMS

You can use multi-person SMS (Short Message Service) to send messages to several people at the same time simply by writing your message, selecting the recipients, and pushing "send."

Polyphonic Ringtones

Choose one of the embedded ringtones to personalize your phone with polyphonic melodies.
