Product highlights

Dual TFT LCD display screens

Dual screens allow you to display the same videos or images from the portable DVD player. Simply plug in and mount the screens on the headrests in your car. Now you can enjoy your favourite DVD movies and JPEG photos with family and friends in the back seats easily and comfortably.

MP3-CD, CD and CD-RW music

MP3 is a revolutionary compression technology by which large digital music files can be made up to 10 times smaller without radically degrading their audio quality. A single CD can store up to 10 hours of music.

Share picture CD (JPEG)

Multi-format playability allows you to view images on the go and play most disc formats for maximum disc compatibility and viewing pleasure.
