

Philips  
In-Ear Headphones

SHE7600

## Style wear

Neckstrap style for maximum convenience

Neckstrap-style headphones with convenient quick release mechanism. Extended soft rubber caps channel sound directly to the ears for enhanced sound pleasure, while the ultra-soft neckstrap is ideal for carrying all compact audio players.

### Adjust them to your preference

- Quick release neckstrap for easy disconnection
- Easy Twist & Release clip for fast player detachment
- The sliding locks keep the cables neat and tidy

### Enjoy quality sound

- Extended soft rubber ear caps to channel bass to ear canal
- Neodymium magnet enhances bass performance and sensitivity
- Bass beat vents allow air movement for better sound

### Use them for longer

- Ultra-soft strap material for extra wearing comfort
- Ear cushions improve wearing comfort and bass response
- 15 mm speaker driver optimises wearing comfort
- Durable Flexi-Grip makes a strong flexible connection

# PHILIPS

sense and simplicity

## Specifications

### Sound

- **Acoustic system:** Open
- **Magnet type:** Neodymium
- **Diaphragm:** Mylar dome
- **Voice coil:** CCAW
- **Frequency response:** 8 - 24 000 Hz
- **Impedance:** 16 Ohm
- **Maximum power input:** 50 mW
- **Sensitivity:** 108 dB
- **Speaker diameter:** 15 mm
- **Type:** Dynamic

### Connectivity

- **Cable Connection:** Two-parallel, symmetric
- **Cable length:** 0.3 m
- **Connector:** 3.5 mm stereo
- **Finishing of connector:** 24 k Gold-plated
- **Type of cable:** OFC

### Inner Box

- **Gross weight:** 0.548 kg
- **Inner carton (L x W x H):** 23.3 x 18.5 x 11.3 cm
- **Net weight:** 0.39 kg
- **Tare weight:** 0.158 kg

### Outer Box

- **Gross weight:** 9.54 kg
- **Outer carton (L x W x H):** 48 x 40 x 48 cm
- **Net weight:** 1.728 kg
- **Tare weight:** 7.812 kg

### Packaging dimensions

- **Packaging dimensions (W x H x D):** 9.9 x 22 x 3 cm
- **Gross weight:** 0.065 kg
- **Net weight:** 0.018 kg
- **Tare weight:** 0.047 kg

## Product highlights

### Quick release neckstrap

The quick release neckstrap includes a safety mechanism that automatically releases when the MP3 player is strongly pulled. This also makes it a convenient way to remove the neckstrap.

### Easy Twist & Release clip

The easy-to-use Twist & Release clip provides a simple and fast way to connect and disconnect the MP3 player from the neckstrap. Simply twist the clip and the MP3 player is released.

### Sliding locks

Sliding locks keep the cables together keeping them neat, secure and tangle-free. The sliding lock in the middle can adjust the size of the necklace strap for an enhanced secure fit.

### Extended soft rubber ear caps

The extended ear caps have a small extension that channels the sound directly to the ear canal. This provides more enjoyment via a bigger, better bass sound experience.

### Neodymium magnet

Neodymium is the best material for producing a strong magnetic field for greater sensitivity in a voice coil, better bass response and higher overall sound quality.

### Bass Beat vents

Bass beat vents allow air movement for better sound with a deep, rich bass.

### Ultra-soft strap material

The ultra-soft strap is made from durable cotton, which has a soft touch to the skin, making it pleasant to wear.

### Comfortable ear cushions

The special shape and luxurious materials used for the ear cushions ensure a perfect fit for maximum comfort. They prevent audio leakage and enhance bass performance too. The ear cushions are shaped in such a way that they perfectly align with the area around a person's ear.

### 15 mm speaker driver

Small enough for optimum wearing comfort and big enough to deliver crisp, non-distorted sound, the 15 mm speaker driver is an ideal size for listening enjoyment.

### Flexi-Grip design

A soft, flexible part protects the cable connection from damage that otherwise would occur due to repeated bending.
