

Philips
Universal remote control

4-in-1 TV/VCR/DVD/SAT

SRU5040

Full function replacement

Operates more than 1000 brands

A stylish chrome universal remote control that gives you complete control over most brands of TV, DVD player/recorder, VCR satellite receiver or cable set-top box. It has dedicated satellite keys and learns codes from your old remote.

Ideal replacement for your old remote

- 4-in-1 remote for your TV, VCR, STB and DVD player/recorder.
- Convenient IR learning from another remote
- Ready for use with Philips equipment

Great convenience

- A light indicates current active device mode
- Eye-catching chrome finish
- Drop it, splash it and just keep on using it!
- Low battery indication shows when to refresh batteries

Quick and easy setup

- Automatically searches for your equipment brand
- Batteries are included for unwrap-and-zap
- For questions and assistance call our URC service line
- URC support service via dedicated website

PHILIPS
sense and simplicity

- Learning IR codes
- **Learning frequency range:** 20 kHz to 70 kHz and 455 kHz

Power

- **Battery lifetime:** 12 months
- **Battery type:** AAA
- **Number of batteries:** 2

Outer Box

- **Quantity:** 6
- **EAN/UPC/GTIN:** 87 10895 93595 1
- **Height:** 172 mm
- **Length:** 312 mm
- **Width:** 151 mm

Packaging Data

- **12NC:** 908210006479
- **EAN/UPC/GTIN:** 87 10895 93594 4
- **Height:** 33 mm
- **Length:** 304 mm
- **Width:** 157 mm

Product highlights

4-in-1 remote control

Replace a table full of remote controls with one robust unit that'll operate your TV, VCR, satellite receiver (or cable set-top box [STB]) and DVD, regardless of the brand or model.

Learning functionality

Learning functionality refers to the process through which a remote control captures and stores infrared signals from other remotes for later use. When device codes are not included in the on-board database, they can always be learned from the original remote, simply by pointing to it.

Pre-programmed for Philips

If you have Philips equipment, you can use your universal remote control without programming it because all keys are pre-set for Philips.

Device mode indicator

Small lights keep you informed about which device mode is currently active.

Chrome finish

Stylish chrome finish that looks good and complements the latest equipment design.

Splash and shock resistant

The tough housing can withstand splashes and spilled drinks, and is able to withstand a drop of at least one metre onto a hard floor.

Low battery indication

To promptly be aware when the batteries need to be recharged or replaced.

Auto brand search

Getting your new remote control working is simply a case of having your remote automatically search for the most suitable code for your equipment.
