- Have a comfortable dry or refreshing wet shave with Aquatec

Easy of use

- One touch open, for easy cleaning
- Cordless shaving for more convenience
- 50 minutes of cordless shaving once fully charged
- Shaver can be rinsed clean under the tap

Get the most out of your shaver

- Built to last with 2 year guarantee
- LED display with icons to use the shaver intuitively

Highlights

Anti-Friction coating

A special coating on the shaver head reduces friction with your skin for less irritation.

Aquatec Wet & Dry

Choose how you prefer to shave. With the Aquatec Wet & Dry seal, you can opt for a comfortable dry shave, or you can shave wet with gel or foam even under the shower.

Multi -Direction Flex Heads

Heads effortlessly follow the contours of the face to catch hairs in difficult-to-reach areas, giving you a smooth shave with less irritation.

Skin Guard Mode

Adjust to a gentle speed to relax your skin and offer extra comfort during and after shave

1-Hour Charging Time

Charge your shaver fully in just 1 hour with the powerful and energy efficient lithium-ion battery. Do a quick charge for 5 minutes and you'll have enough power for one shave.

50 minutes of cordless shaving

The energy-efficient, powerful lithium-ion battery system gives you two convenient options: Charge it for an hour for up to 50 minutes of shaving time, or a quick charge for one full shave.

Fully washable shaver

Simply open the shaver head to rinse it thoroughly under the tap.

OneTouch Open

Simply pop the heads open, and rinse thoroughly under the tap.

Built to last

We back this Philips shaver with a 2-year guarantee. Our 6000 Series Shavers are designed for performance and durability, promising you an extremely close shave time after time.

LED Display

The intuitive display shows relevant information, enabling you to get the best performance out of your shaver: 1-level Battery Indicator - Cleaning Indicator - Battery Low Indicator - Replacement Head Indicator - Travel Lock Indicator.
